

Health & Safety

Introduction

At Brilliant International Private School, the health, safety and welfare of our students, staff and parents are of paramount importance. Since the beginning of the COVID-19 pandemic, we have introduced enhanced cleaning procedures and protocols to ensure the safety and welfare of all the children in our care. We also work closely with the SPEA authorities and approved cleaning partners on an ongoing basis, so you can rest assured that our operational practices ensure a school environment that is safe and secure for your child.

From the bus to the classroom

Temperature/Visual Check	Bus Nanny will assess the student for any possible COVID symptoms.
